

HEARTGARD® Plus (ivermectin/pyrantel)

Chewable tablets for dogs - monthly heartworm prevention & intestinal parasite control

Product insert / dosing reference - keep with package. Re-check dosing band at each weight change.

DOSING BY BODY WEIGHT

Body weight	Color code	Ivermectin / Pyrantel	Chews per pack
Up to 25 lb	BLUE	68 mcg / 57 mg	6
26 to 50 lb	GREEN	136 mcg / 114 mg	6
51 to 100 lb	BROWN	272 mcg / 227 mg	6

Dogs over 100 lb: use a combination of these chews. Administer the chew for the dog's CURRENT weight band.

A dog whose weight crosses a band boundary must be moved to the next band at the next monthly dose.
