

PetLink - Microchip Registration Confirmation

Registered owner: Alejandro Rios Pet: Maple (canine, spayed female)

Microchip ID: 985141004472200 Registry: PetLink (lifetime)

Your pet's microchip is active and linked to your contact details.

Keep your phone and address current so a found pet can be reunited fast.

Tip: a microchip is not a GPS tracker; keep ID tags on her collar too.

Status: ACTIVE. No renewal fee. Update details anytime at petlink.net.
